Looks like the meeting will be Thursday 10/23, the following week. Does that help?

We've been really fighting to talk together about the possibility of instituting parking time limits or other controls along the referenced streets. Email may make progress easier.

Would you be available to attend our Westchester town Center BID Board Meeting on October 16 at 10 AM to share some thoughts on this topic with the area property owners. It's a small informal group meeting. We are wondering about alternatives, process, time lines, etc. Maybe you could share some of your insights with the Board members that would be helpful too. If we could speak with you for 30 minutes or so we would be very grateful. Could we work that out?

And you'd get to see your old friends from Westchester!!

Thanks Ken.
